EXPERIENCE

Internship
july 2022-oct 2022

I participated in an internship program at Arba Minch University ICTC from July 2022 to October 2022. During that time, I learned a lot from the staff there and we developed a web-based system together. I was involved in every step of the development process, from requirement analysis to testing and also involved in network installation project we worked together.

IT Officer
Nov 2024-Present

Currently i am working as Information Technology Officer in Amhara Bank Sc
